Held on Monday 7 June 2021 at 7.00 pm in The People's Hall, Toft at 7.35 pm**

Present: Councillors: M Yeadon (Chairman), P Ellis-Evans, E Miles, K Popat, A Tall and J Wrycroft.

Public participation on agenda items and matters of mutual interest (includes reports from County and District Councillors and representation by members of the public)

Steve Pugh, Chairman of the Toft People's Hall Management Committee, spoke to the item 7.3. The proposals had been welcomed by residents and volunteers had come forward. A working party had been set up and it was hoped to open the café between 1-3 days a week. Quotations had not yet been obtained. Sponsorship had been offered by a local business.

The Parish Council explained that it would need to see a breakdown of costs. Mr Pugh emphasised that the closure of the Hall for the last 15 months had resulted in a lack of income from its normal sources, and the District Council grant had been into only income during the pandemic.

7.3 Toft People's Hall request for funding for alterations, décor, furnishings and equipment for a community café

The Parish Council having considered its budget and noted that £2800 was available from S106 monies for indoor community facilities, as well as funding from reserves, concluded that funds were available in principle, but that clearer supporting figures should be provided.

A proposal ^(JW) that the proposal be approved in principle and an extra-ordinary meeting held next week for formal approval, was not seconded.

RESOLVED that the Parish Council was in principle willing to support the application with funding of up to £7000, subject to a formal proposal supported by financial information.
(Prop MY, 2nd PEE, unanimous)

RESOLVED that the funding could, in principle, be drawn down in phases and that £2800 could be made available in the short term for indoor expenditure but in order to satisfy due diligence, before this could be released the Committee should submit a formal written proposal setting out their plans and aspirations and more detailed information on costings, along with a phased timetable if required.
(Prop MY, 2nd EM, unanimous)
